REVISED Puzzle Table Request for Proposal REVISED

November 29, 2005

Dear Puzzle Friends,
Breon Mitchell, Director of the Lilly Library, and I have heard from some puzzle designers that they are interested in submitting a proposal for one or more puzzle tables for the Slocum Puzzle Room at Indiana University's Lilly Library but their costs will exceed the \$1,000 Award, and they cannot afford to donate the additional cost of design and fabrication of the Puzzle Tables.

We think it is important to have the best Puzzle Tables in the Library for all of the World to see and solve, so we have decided to allow your proposal to include compensation of your costs in excess of the \$1,000 Award.

See the attached revised Request for Proposal.

Please include in your proposal the following costs for which you need compensation should your table be chosen:

Design	\$ _____
Fabrication	\$ _____
Material	\$ _____
Total	\$ _____

The cost of shipping the table(s) will be paid for by the Lilly Library.

Puzzle Table Awards will be based on the quality of the design and the cost.

We look forward to receiving your Proposals by January 1, 2006.

And we look forward to seeing you at IPP 26 in Boston and in Bloomington for the Grand Opening of the Slocum Puzzle Room.

Best regards,

Jerry and Breon
